To conceptualize, plan and implement a number of projects dealing with social, educational, environmental and health issues as a way to contribute to the quality of life of the human being, in particular of children and young adults in a social risk situation, by also promoting inclusive sports.
Strategic objectives

- To develop the Portuguese Human Capital
- To tackle Poverty and Exclusion in all its forms
- To deliver educational projects
- To cooperate within EU (Partnership, Networking)
- To match migrations
- To foster Excellence
- To match Sustainability
- To be a relevant stakeholder (international, national, local)
